BIGFOOT RV UNDER NEW ACTIVE OWNERSHIP

We are pleased to announce that Bigfoot RV is under new active ownership, and will soon be providing parts, service and new products to the North American RV market from its facility in Armstrong, BC, Canada.

Our experienced Bigfoot staff & management have a long term dedication to the Bigfoot experience. We are committed to the Bigfoot Tradition, and look forward to taking Bigfoot RV's into the future with new and refreshed products proudly built upon the solid foundation of Bigfoot's unmatched quality, design & customer experience. Our focus as we begin production of our world class RV's will be maintaining the carefully designed & well-built products that Bigfoot is known for.

In addition to providing parts & service for existing Bigfoot RV's we will soon begin production of Truck Campers & Travel Trailers, with updated offerings selected from Bigfoot's most popular models. We are seeking to establish distribution outlets in both Canada & the USA and will provide details regarding product availability as soon as they are confirmed.

For future updates regarding operational and product details please visit www.bigfootrv.com.
